

GENERAL WARRANTY

ONE YEAR LIMITED WARRANTY ON MATERIALS & WORKMANSHIP

INLAND TARP & LINER, LLC (ITL), warrants the products defined below to the original owner of the defined products that said products are free of defects in the materials and workmanship, provided the product is purchased from ITL or an authorized dealer. Limited warranty coverage for ITL's listed products herein is for one year on material & workmanship including degradation by ultra violet light from the purchase date. This Limited Warranty is non-transferable and shall apply only to normal and ordinary use of the product, subject to all limitations described below. This warranty dated May 1, 2009 supersedes all previous warranties.

Claims under the Limited Warranty must be made to ITL or an authorized dealer within one year of purchase. Proof of purchase is required.

This Limited Warranty does not apply to damage or failure due to accident, abuse, neglect, normal wear and tear, animal damage, improper assembly or maintenance, or installation of parts or accessories not originally intended or incompatible with the product as sold.

Products covered by the Limited Warranty are as follows:

Grain Pile Covers, Custom Tarps, Flat Sheets, Truck Tarps, Marina Covers

First Year: Should the Product have a manufacturing defect and/or failure due to UV degradation within the first year of purchase by customer from ITL or its authorized dealer, the defect(s) will, at the option of ITL, be repaired or a replacement product provided.

ITL shall not be responsible for incidental or consequential damage. The user assumes the risk of any personal injury or damage or other losses under the following conditions:

- 1) If the product has not been properly installed (e.g. wind damage as a result of improper installation):
- 2) If the damage is from animal, plant (e.g. falling tree), or human contact (e.g. mishandling).

The Limited Warranty applies only to repair or replacement of the products covered herein. The choice of repairing or replacing any returned product will be at the discretion of ITL. The customer's responsibility is to immediately call ITL when a defect is found and inform ITL of the problem and then to protect the products from further damage. Failure is defined as ultra violet break down of the liner to the point that it is no longer waterproof. ITL will not be responsible for any damage that is caused by the customer's neglect or inability to protect the purchased product from wind or other potentially damaging elements. ITL will not be responsible for any damage by any of its products to any commodity, personal property, real estate, animal or person. This warranty is limited solely to repair or replacement. This is the only warranty authorized. No other warranties are expressed or implied.

This Limited Warranty gives you specific legal rights and your rights may vary from state to state. ITL does not authorize or permit anyone else, including its dealers, to make any other warranties, expressed or implied.

A warranty claim must be filed immediately upon discovery of a problem. E-mail photos and description of the problem to warranty-claim@inlandtarp.com. An ITL representative will contact you, usually within 24 hours, to follow-up and resolve the issue.
